ECLIPSE

300 : 300 ML

A New Applicator to *ECLIPSE* the Opposition!

With an ergonomically designed handle and manufactured from reinforced engineering polymers, the new Eclipse dual-component applicator is as comfortable to use as it is futuristic, lightweight and durable.

For use with 300ml x 300ml fixed and clip together cartridges, the Eclipse will change the way you think about sealant applicators forever.

Weight: 1.5 kg
Thrust: 5.0 kg
